

# Welcome to the Team!!!

## The team of Financial Freedom w/ Ardyss Elite

You've definitely made the right decision in steps to changing your life financially!

8 easy steps to getting off to a great start!

(This should be done within your first week in the business)

1. You will need to order you some business cards. (We provide different designs and we have a printing company that we currently work with that has great prices.)
2. You will need to get a tape measure. (You can find one for under \$3.00 at Walmart of CVS)
3. You will need to log in to your back office and play around with it to learn how to use it. You will be provided with a username and password via email or phone by your enroller.
4. Write down all names and numbers of people you know and schedule at least 1 home show by your first week in the business. (Never ever discount ANYONE and also don't worry we will help you with your home shows)
5. Get in on every conference call and every meeting available to you!
6. When your distributor package arrives, make sure to read through all the material and watch your CDs
7. Talk to at least 5 to 10 people a day about the company and the products

Always stay positive, focused, and believe you can achieve!

**Remember...**

***"To get what you've never had, you must do what you've never done!"***

***"Team work makes the Dream work!!!"***

# HOW TO GROW YOUR BUSINESS QUICKLY

**\*Make sure all new reps have the all of the numbers for weekly training call numbers.**

## Pass out "5 Steps to Success"

1. Make a list of spear of influences (100-200 names)
2. Schedule their 1<sup>st</sup> showcase within 72 hrs. OJT = On Job Training, make sure your leader is present for 1<sup>st</sup> showcase. Make sure they have inventory or access to yours for their 1<sup>st</sup> showcase. Make a suggestive list of the type of inventory one needs to be successful.
3. Commit to massive action for the next 90 days. Teach them how to market themselves and assist them in their recruiting efforts with 3 way calls.
4. Make sure they are connected to weekly meetings and training calls
5. Set weekly & monthly goals for the new rep & keep a journal of what their goals are and how you can assist them in achieving them. Interview your new rep. Make sure you know their expectations and they know yours.

## FRIENDLY REMINDERS:

- \*REMIND YOUR REPS TO ENROLL THEIR NEW TEAM MEMBERS ON 3 WAY. DO NOT ALLOW THEM TO ENROLL BY THEMSELVES... BE PREPARED TO SET UP THEIR SITE.
- \*IF THEY COMMIT ON POWER START AS AN INITIAL ENROLLMENT, MAKE SURE YOU REQUEST THE CUSTOMER SERVICE REP TO SET UP THEIR AUTO SHIP FOR THE FOLLOWING MONTH. THIS IS NOT AUTOMATIC... CONFIRM THAT YOUR NEW REPS ARE ON AUTOSHIP.
- \*MAKE SURE YOUR NEW REPS KNOW HOW TO MEASURE CLIENTS FOR A BODY MAGIC AND CUSTOM BRA.
- \*MAKE SURE YOU HAVE TRAINING TOOLS AVAILABLE TO SALE OR LOAN OUT TO YOUR NEW REPS.
